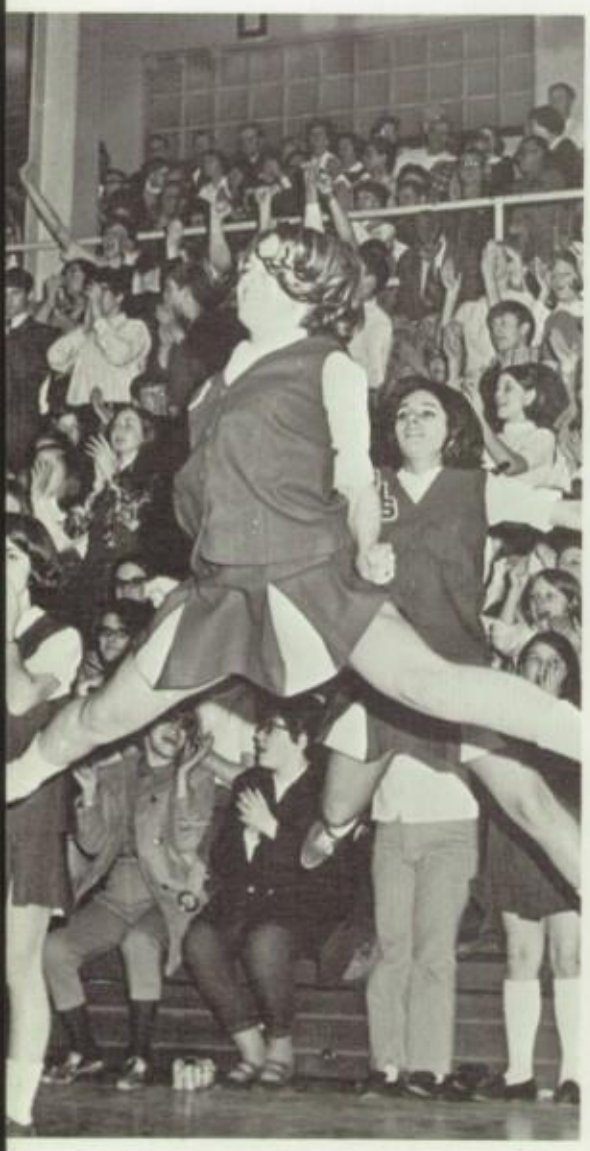
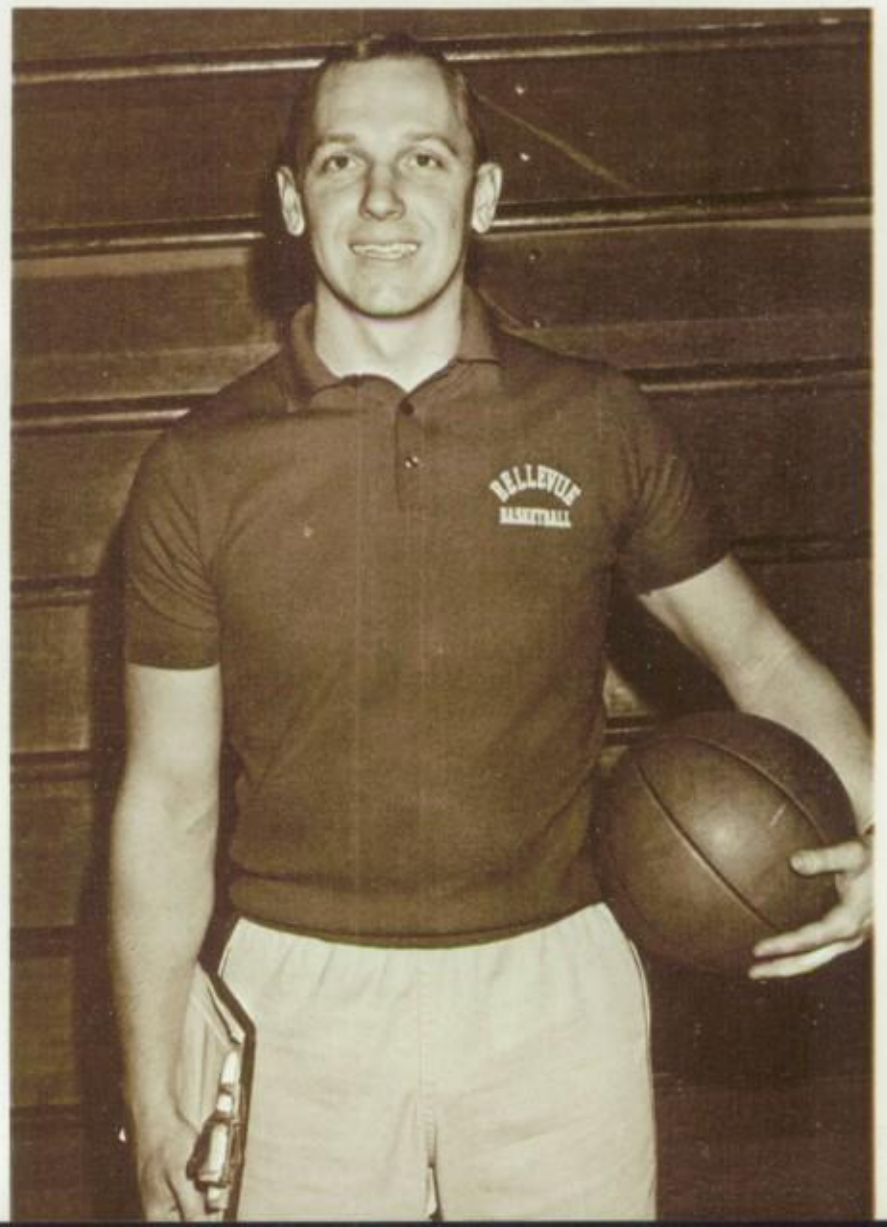
REDMEN Win O.H.S.A.A. Class AA Sectional Championship Crown For '70



Senior Cheerleader Patti Paul in an electric moment during the Norwalk basketball tournament. Don Seymour's attack against the Lexington Minutemen was sparked with accuracy for a 24 pt. evening. Ted Wybensinger's clutch performance in the last quarter against Tiffin was a fantastic individual District Tournament performance — his prowess meshed 26 pts. Ted is shown in the picture in a game with Lexington. Right, Mentor Duane Warns lead the Redmen through four winning Sectional and District tournament games and compiled the finest school record in 25 years. The Warnsmen closed out the basketball season with an 18-5 impressive record.



NOL's top league scorer, Mark Hammersmith blistered the nets with 29 pts. in tournament action against Vermilion.

The Homecoming Court of 1969 was headed by Queen Mary Reitz. Senior attendants were Deb Hillman and Jan Pagnard; Junior attendant was Jenny Jacobs and Sophomore Deb Helber. These girls were chosen by their respective classes and the queen by a vote of the entire student body. Escorts were the following: Steve Callaghan, Lynn Middlesworth, Ed Wykensinger, Roger Kahle, and Doug Smith. Mary was crowned by Mark Rogge, student council president as shown below. The Redmen defeated the Norwalk Truckers in the classic football game. Mary and her court reigned at the dance.

"OLD-FASHIONED CHRISTMAS," theme for Annual Dance —

On December 19, 1969, couples from BSHS stepped from space age commotion into an evening sponsored by BGCA. The central attraction in the decorated 'home' was a giant Christmas tree trimmed with strings of popcorn and cranberries and guests could peer through frosted windows to an old fashioned street scene. Cyndie Barrett and Chip Arbour were crowned King and Queen of Goodwill. Music was a Rock group, the Willis. Christmas tunes were supplied by the talented Choraliers.

Above: Rich and Grace pause a moment to enjoy the magic of an "Old-Fashioned Christmas."

"Carousel," Prom For a Spring Evening

The annual social affair for Juniors and Seniors was held on May 2 at the Senior High School. A highlight of the evening was singing of the Senior Class Song led by John Straziuso, shown at the bottom of opposite page; at the opposite, top left, radiant queens Ginger Andrews and Cheryl Krueger pose with crowns; At the left, some of the grand march participants. Below left, Gary Woodruff, Junior Class President crowns Senior Prom Queen, Cheryl Krueger; Steve Callagan, Senior Class President crowns Junior Prom Queen, Ginger Andrews. The "wishing well" below depicts some of the theme.

Collette Hoffman and Karen Scagnetti headed the decorating committee as co-chairmen.

The grand march was led by Senior Class Presiden, Steve Callaghan.

After enjoying an evening in "Carousel" couples left the prom and went on to more excitement — for this was just the beginning of a very special never ending evening.

1969 NOL Is Tough —

The disappointing 3-6 record compiled by this year's football team does not truly portray the type of season the Redmen had. They played steady ball, but seldom came up with the big play, while their opponents seemed to get the best breaks. One of the bright spots was the 18-0 victory over Willard. A Homecoming triumph over Norwalk was another highlight. The defensive team displayed its strength by holding state ranked Shelby to 14 points. The Redmen finished 5th in the N.O.L.

Stoldt Breaks Rushing Records

Even with the disappointing 3-6 record, there were many bright spots on this year's Redmen team. Co-captain Craig Stoldt broke several rushing records. Stoldt's value to the Redmen team can be seen by his receiving The Most Valuable Player award and The Most Valuable Back award. Stoldt shared his duties with Co-captain Bill Koch.

All N.O.L. middle guard, D. Didion, spearheaded the defensive team, which was one of the better units in the league. R. Sieger, who received N.O.L. honorable mention, helped anchor the unit.

The coaching staff was headed by Coach Lowell Shaffer. He and his assistants gave much effort to the 1969 Redmen squad.

Throughout the season, the team displayed determination and spirit. The Redmen were a young team as the squad contained only a dozen seniors. The lessons learned and experience gained this year will be a tremendous factor for next year's returning Redmen.

For the first time the Redmen had no Junior Varsity squad. The boys who did not get playing time on varsity nights played Saturday mornings for the J.V.'s. The reserves had a 2-6-1 record. B. Butz headed the offense through the year with end G. Garman as his favorite receiver.

Ramjets Pioneer Cross-Country —

Bellevue's initial cross-country season was a great success under Coach Sheppard. The Ramjets proved to be one of the strongest teams in the area. The harriers had a 5-1 dual meet record. In two tri-meets, the local team placed first in one and tied for second in the other. The team placed 8th in the Tiffin Invitational, 6th in the district meet, and 3rd in the N.O.L. behind Tiffin and Bucyrus.

The team was led by B. Scott who broke several track and course records. His best time was 10:21 at Galion. Scott, who also advanced to regional competition, was the team's #1 man followed closely by G. Siesel, M. Schoen and D. Spenser, Captain.

The spirit displayed by this year's Ramjets was exceptional. This was one of the major factors that led to their excellent season.

Don Seymour made the first team NOL as a junior, and Ted Wybensinger was honorable mention in the NOL. In addition, fine efforts were put forth by seniors Steve Callaghan, Harry Lee, Chip Arbour, and Jim Hammersmith, and sophomore, Mike Schoen.

TEAM, Above: G. Wilder, J. Queen, D. Timmons, J. Ball, B. Stevenson, E. Loparo, M. Tea, W. Perry, G. Solander, C. Stoldt, J. Koechley, J. Hasselbach.

The Redmen proved to be one of the strongest teams in this area with a 9-7-1 record. The local linksmen were impressive early in the season and appeared to be on their way to a tremendous year; during the season competition became tougher. The VARSITY squad anchored by four experienced seniors, G. Solander, C. Stoldt, M. Tea and J. Hasselbach proved capable golfers in compiling a winning record. G. Solander held the number one spot on the team through most of the season. Limited varsity action was supplied by D. Timmons, J. Koechley and J. Ball.

The RESERVE squad compiled a stout 10-4-1 record. The local J.V. easily disposed the majority of their competition. Leading members were, J. Koechley, W. Perry, E. Loparo and B. Stevenson. The reserves proved that they will be ready to fill next year's vacant varsity positions. The squads contribute much of their fine record to the guidance of first year coach, Dennis Woofter, shown at the right.

Finish Strong

Left: M. Hammersmith leaps 6' ½" at Districts to take second. Hammersmith also placed second at the NOL meet with this record breaking jump.

The inexperienced Redmen found themselves facing the stout Tiffin Columbia squad in the first dual meet of the year. In the next two encounters, the Redmen were defeated, but in each meet, individual members showed improvement. Finally the hard work began to pay off. The strong Clyde squad was upset by the Redmen. From here they proved that they were in strong contention by winning the last 6 track meets of the season. The cindermen rolled over Attica, Vermilion, Perkins, and Norwalk. In a season final, they scored a surprise upset over the heavily favored Galion team. In the district meet, Bellevue placed fourth. The thinclads again found themselves in the NOL, number 4 position. The result was a fine 7-5 season record.

Record Breaking Season

Right: Triumph after winning the mile relay of the NOL meet; team of D. Meyer, J. Hammersmith, H. Lee and J. Straziuso set a new record at 3:31.0, a proud Coach Whittington beams.

Several individuals scored tremendous efforts to make the Redmen's season a success. The most noteworthy of these was H. Lee who led the team in individual scoring. Lee broke the B.A.F. stadium record in the 440 and anchored the record holding mile relay team. The twin brothers, Hammersmiths, were also team leaders.; Jim broke the 220 mark and ran less in both relays. Mark shattered the school record in the high jump as he soared to place second in the districts. Both of BSHS's relay teams set new school records. The half mile relay team composed of D. Richards, F. Barrett, J. Hammersmith and J. Burrows covered the distance in 1:31.0 (pictured on the opposite page below). The mile relay team waited until the NOL meet to break the school record. Other key performers were, L. Bender, broad jump; B. Shelley, shot put; B. Cramer, discus event. In the distances D. Spencer and R. Sliter covered the 880, S. Fox led the way in the mile, and G. Siesel and K. Fox took over in the 2 mile after the injury to record holder Bill Scott. M. Rogge and F. Barrett took the hurdle; Every member gave long and dedicated hours to making the 1970 Track Team a winner.

Sports Banquet

Awarded Athletes, above, R. Tonovitz, S. Callaghan, M. Hammersmith, H. Lee, D. Bickhart, C. Stoldt, and D. Didion. At the end of every year the Redmen are honored for their sports efforts. The program was initiated with a dinner, each coach presented his team and spoke of their season in the gym. Letters were presented to Varsity and Reserve basketball and wrestling teams. C. Stoldt was given the K of C award; H. Lee was selected for the Gazette award, Boosters trophy and basketball co-captain awards were given to M. Hammersmith. Mark also received MVP in basketball. S. Callaghan received the other basketball co-captain award. R. Tonovitz and D. Bickhart were presented their awards in wrestling for Varsity co-captains. D. Didion was given MVP in wrestling. He was also honored for having the most initial takedowns. Mr. Hoffman, MC'd and presented guest speaker, Fred Taylor, left, head basketball coach at Ohio State, who delivered a fine speech and gave the Redmen something to think about in reference to participation in sports.

Persevering Redmen Hitters —

Although the baseball team failed to win a game this season, they did, in the words of Coach Warns, "learn an important lesson, never give up." This lesson showed in the latter part of the season when the Redmen extended powerhouse Willard to eleven innings before dropping a one run decision. Many of the boys will be back next year, and things should look up for the local squad.

The entire squad will return next year and will be the top challengers for the NOL tennis crown.

What Is a Senior?

A senior is one member of the human species who has obtained a position of greater authority through twelve years of constant work. A senior is one who has reached the pinacle of one segment of his life, and one who although is glad to leave, is also a bit apprehensive about the new assignment ahead. A senior is great not only because of what he has behind him but because of what he has ahead.

CLASS MOTTO — "The world is waiting, go in peace and whatever you do, do in love."

CLASS SONG

We are leaving Bellevue High School
The years have gone so fast
But now it is our moment
To try for peace at last.

Our generation will bring peace in the seventies, love in the seventies
The seventies —
Studying and plays and dating
Football games and times for thinking
These and more were to prepare us
Let the warring world beware us
We will shake its old foundations
And bring peace among the nations,
The seventies, the seventies!

We are leaving Bellevue High School,
The years have gone so fast
And now, it is our moment
We will have peace at last!
They will remember us, the great class
of seventy, the great class of seventy
of Seventy!
(Words by Martha Kuhn, sung to tune of "AQUARIUS"

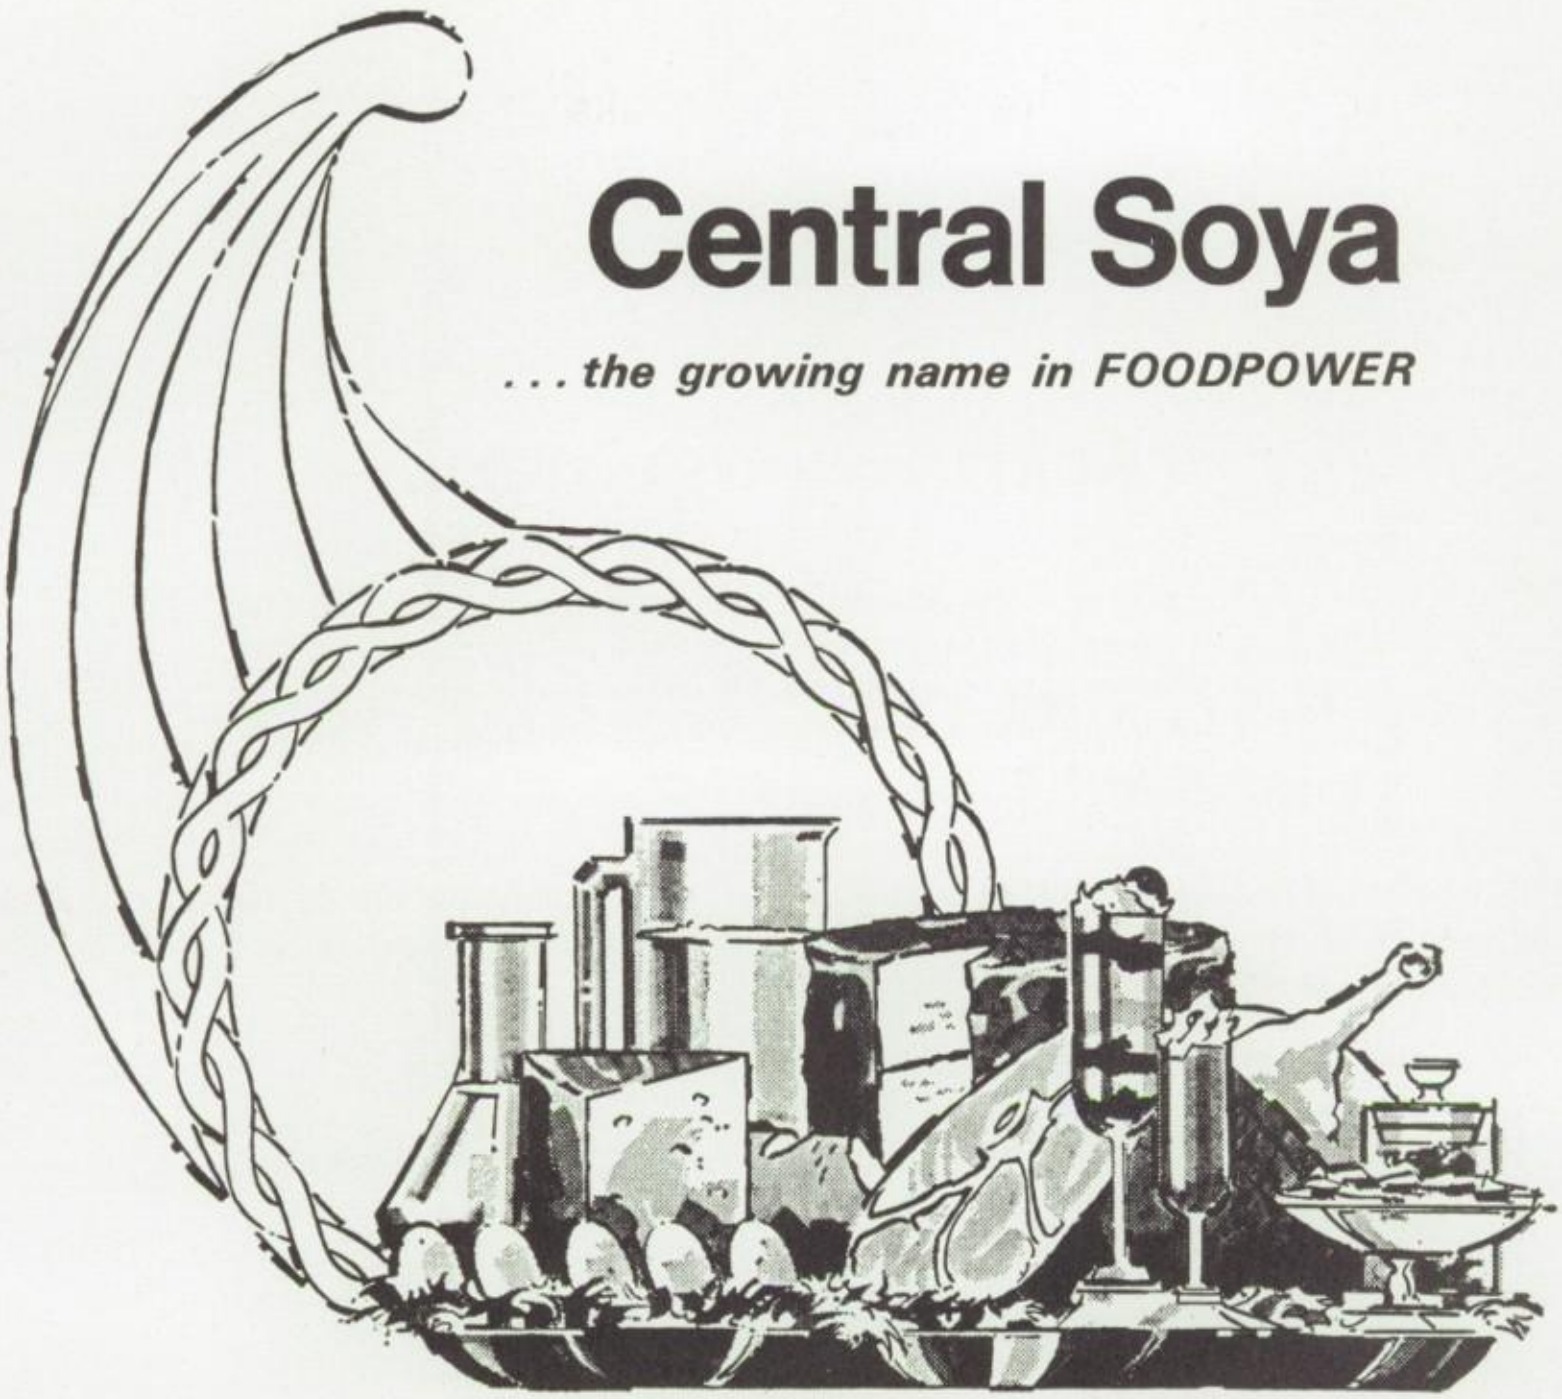
YOUR PRESCRIPTION HEADQUARTERS

Central Soya

. . . the growing name in FOODPOWER



No. You won't find the **Central Soya** mark on your ham and eggs, chops, roasts, hot dogs, butter or milk. But, chances are, the "critters" that provide these and other food products were raised on Master Mix feeds and concentrates. We say "chances are" because our **Feed Division** makes and sells substantially more than a million tons of animal feeds each year through more than 2,500 Master Mix dealers.

Not only that. Your margarine, mayonnaise and salad oil aren't marked either, but most of them contain nutritious soybean oil produced (along with high protein meals) by our **Soya Division.** Annual capacity, nearly 80 million bushels of beans. Processed meats, candy, baked goods, even baby foods, look and taste better, stay fresher, thanks to special soy products of our **Chemurgy Division.** Feed and food grains are merchandised from major production to major consumption regions by our **Grain Division.** And our international people parlez vous soybeans in five languages.

Next time you slice into a thick steak, or sneak an extra large piece of danish, remember the role being played by **Central Soya.**

Acknowledgement —

The best of a year of many; a better year for most; a tragic year for a few. With unlimited experience in sports, culture and academic accomplishments, the school year has been one of growth and development. The '70 Staff would like to acknowledge the following:

To Mrs. Beasley, advisor, for her guidance, patience, skillful knowledge of journalism, and untiring efforts, we cannot thank enough —

The entire student body, administration and Board of Education, Supt. Gower; Principal, Robert Regula, and office personnel. To all Bellevue Businesses, and the area businesses who have supported generously with finances.

To George Woodard, George Smith and Ben Buyer, professional photographers.

To Mike Callaghan of the GAZETTE who furnished a number of pictures.

To Ohio Edison of Bellevue.
